

## **Businesses: How You Can Help**

Community Challenge, a division of Recovery Resources, Rocky River Police Department and Rocky River High School are collaborating to spread the word: ***Parents Who Host, Lose The Most: Don't be a party to teenage drinking. It's against the law.***

We are partnering with Drug-Free Action Alliance to encourage parents, educators, businesses, community organizations and others to learn more about the health and safety risks along with the potential legal ramifications of allowing underage drinking to occur.

*Parents Who Host, Lose The Most: Don't be a party to teenage drinking* is a proven success. And the campaign's message is a universal one: It is illegal, unsafe and unhealthy for anyone under 21 to drink alcohol.

**To help support this community awareness campaign we are offering the following free materials for your business or organization:**

- **Posters (11" x 17") and window clings (3 ¾" x 7 ½") to display at your place of business**
- **Stickers (2 3/8" square) for delivery boxes (pizza shops, florists, bakeries) and to-go bags (fast food restaurants)**
- **Fact cards as bag stuffers**

Please call Jeanne Campanella, Community Challenge Coordinator, 440-241-2608, or email [jcampanella@recres.org](mailto:jcampanella@recres.org) if you are interested in any of the above free materials. **Call Officer Hill or Officer Bernhardt at RRPD (440-895-2588) if you are interested in displaying a yard sign.**
